2. Skincare: Helps with acne, anti-aging, and skin healing (e.g., Tea Tree, Rosehip).
3. Mood Booster: Uplifts mood and improves mental clarity (e.g., Citrus oils, Ylang Ylang).
4. Pain Relief: Alleviates headaches, muscle pain, and joint discomfort (e.g., Peppermint, Ginger).
5. Immune Support: Fights infections and boosts the immune system (e.g., Eucalyptus, Thyme).
6. Sleep Aid: Promotes restful sleep and combats insomnia (e.g., Lavender).
7. Digestive Health: Relieves nausea and indigestion (e.g., Peppermint, Ginger).
8. Natural Cleaning: Acts as a natural disinfectant (e.g., Lemon, Tea Tree).
